Dear Alessandro:

I want to congratulate you on your accomplishments at Leavitt Area High School for the First Quarter. Earning Honors is no easy task, so you should be very proud of yourself and all of your hard work. I am honored to represent such a dedicated student.

It is not always easy to achieve honors in academics, but your performance shows that you are a responsible, upstanding student who has their priorities in order. As you continue on with your education, I hope that you keep academic excellence as a top priority. I strongly believe that having a solid educational foundation is important to your future success.

Again, congratulations! Your efforts are appreciated and certainly have not gone unnoticed. Keep up the great work and please do not hesitate to contact me if you would like to visit the State House or if I can ever be of assistance to you.

Sincerely,

Garrett Mason
State Senate Majority Leader
